## **Beetle Juice Aftercare Instructions**

- **Wash off** Beetle Juice 2 hours after application.
- **DO NOT** put a band-aid on the treated molluscum day of application. May apply a band-aid after blister forms.
- The molluscum will blister, pop, and heal over the next week.
- Do not pick at or scratch the molluscum.
- Apply Vaseline if needed.
- Make next appointment for one month. It generally takes 2-3 treatments of beetle juice for the molluscum to resolve.
